No. PO OE/Rojgar Mela

Hon'ble Secretary Posts,  
& Chairman Postal Services Board ,  
Dak Bhavan,  
New Delhi - 110001.

Respected Sir,

Sub: - Non availability of adequate PO OE funds - reg.

My Federation wish to bring to the notice of Hon'ble Secretary Posts that almost all circle/divisions are facing shortage of PO OE funds since last year. Especially this financial year from the beginning Circles/Divisions were not getting required allotment of PO OE funds to meet the regular day to day expenditure for smooth functioning of offices.

Federation is very much thankful to both Hon'ble Minister for Communication & IT and Hon'ble Secretary Posts for great initiative steps for filling up of all vacant posts under Mission Recruitment 2023. Since last year appointments letters are issuing to the candidates by holding "Rojgar Mela" in every circle as a prestigious program.

It came to my Federation notice that Department is spending nearly Rs.20 Lakh for holding 'Rojgar Mela' without allotment of any Fund to meet the said expenses and due to this Circle are compelled to utilize PO OE fund for Rojgar Mela purpose resulted adequate shortage in PO OE.

Hence I request the Hon'ble Secretary Posts, kindly intervene in this issue and take up the problem with Hon'ble MOC and Hon'ble Finance Ministries to allot separate fund for holding "Rojgar Melas" and also sufficient PO OE and other important funds like TE, Medical etc as projected by the Circles.

An early action will be highly appreciated .

Yours sincerely,

(SIVAJI VASIREDDY)  
Secretary General

No. Infrastructure/ BO's

dated 03.08.2023

To  
Sri Vineet Pandey Ji,  
Hon'ble Secretary Posts,  
& Chairman Postal Services Board,  
Dak Bhavan,  
New Delhi -110001.

Respected Sir,

Sub: - Supply of infrastructure to BO's - reg.

My Federation wish to bring to the notice of Hon'ble Secretary Posts that many of the Branch Post offices were not supplied suitable infrastructure. Previously in every year through planning funds nearly 30 to 40 BOs in a division getting infrastructure. As observed in the last year budget it came to notice that only 40 BOs are supplied infrastructure in a Region.

Now we are implementing Project 2.0 and funds are being allotted for that purpose. It came to notice that under this Project provision of infrastructure for PO's. New Tablets are also going to supply and IPPB is one and only financial system available for the rural public. In this scenario we should increase the standard of Branch Post offices also.

Hence I request the Hon'ble Secretary Post kindly initiate steps for supply of following infrastructure for all Branch Post offices.

- |                                      |  |

In-principle approval for bandwidth upgradation of NSP-1 Links (MPLS and VPNoBB) to minimum 2 mbps has been conveyed to BSNL for its immediate implementation. Further, bandwidth upgradation of NSP1 MPLS link at DC & DR has also been carried out from existing 1 gbps to 2 gbps to tide over the problems being faced by the field units.

BSNL has also issued directions, vide letter dt. 24.7.2023 (copy enclosed), to their Telecom Circles regarding providing directions to the BSNL field units for urgent upgradation of existing lower bandwidths MPLS links (<2 mbps) of the Department of Posts (DOP) to 2 mbps. # Common bagging of Parcels.

Department of Posts  
Parcel Directorate

Chanakyapuri, New Delhi-110021  
Dated: 31.07.2023

To

All Chief Postmasters General

Sub: Regarding implementation of common bagging of Parcels.

This is regarding effective implementation of common bagging of parcels by parcel Hubs in the country.

2. Vide Parcel Directorate letter no. 27-27/2021-PD dated 03.10.2022, detailed instructions regarding implementation of common bagging were issued to all the circles. Circles were advised to use a common bag including all types of Parcels including Speed Post Parcel where the transmission mode is surface and a separate Parcel bag containing Speed Post Parcels where the transmission is through air directly or through intermediate TMOs / Bag Exchange Points. Several instances of mixing up of Speed post parcels with other kind of parcels have been received from Karnataka Circle. (**Letter Copy Enclosed**).
3. Circles were also requested to ensure availability of YELLOW colour bag labels in Parcel Hubs / BNPLs with direct bagging facilities so that the same may be used while closing the bags to be transmitted through air.
4. During inquiry of delay in transit in case of Speed Post Parcels, it has been noticed that Speed Post Parcels are being closed in common bag with blue colour bag label even for locations for which direct air connectivity is available. This results in mis-routing / delay in delivery of Speed Post Parcels and sometimes the parcels get lost during transmission.
5. In view of the above, Circles are once again requested to ensure the proper implementation of common bagging of parcels in the circles so that such cases can be avoided.
6. This issues with the approval of competent authority.

Assistant Director
