To

Chairman, Postal Services Board  
Department of Posts, Dak Bhawan,  
New Delhi-110001.

Sir,

Sub : Sixteen Points Charter of Demands  
submitted by FNPO – Regarding.

Ref : No,08/12/2017-SR(Vol-I) dated 14.3.18

My Federation has submitted Sixteen Points Charter of Demands on 18.1.2018. The Directorate has furnished action taken a report on each demand vide your letter cited above.

My Federation has very much pained to point out that the action taken report simply shows that the Administration is not keen to settle down the long pending grievances of the staff side properly. My Federation has submitted Sixteen Point Charter of Demands. Out of sixteen, six issues were pending still and stated that the “reply is awaited from the concerned Divisions”. For one issue, it is notified as “The matter is under examination of Government”

Only for 3 issues in the Charter the details of the Action taken is furnished to the Federation and the remaining issues were pending with the concerned Divisions viz. FS Dn., Estt Dn etc..

My Federation is unable to satisfy the cadres with the vague replies furnished by the Directorate. My Federation bitterly record our strong resentment by the evasive replies furnished by the Directorate in such a manner.

Thanking you

Yours sincerely,

(D. THEAGARAJAN)  
Secretary General FNPO.
