Respected Madam,

Sub: Shifting of RMS SH Division HQ - Reg.

It is learnt that UP circle administration has decided to shift RMS SH Division HQ from Saharanpur to Ghaziabad. In this connection the following points merits consideration.

a) Shifting of Headquarters involves mass staff transfer therefore it should be done only at the time of academic year end and not in the middle of the academic year.

b) Wards of the Employee's studying in Saharanpur cannot shift school to Ghaziabad in the middle of the year.

c) Employees settled in Saharanpur long back cannot move to Ghaziabad with family, they have to stay alone in Ghaziabad, which will lead to double establishment with meagre salary they cannot run family at two different places.

d) Circle office and Divisional offices are pointing that shifting of mail office to Ghaziabad will help in early delivery of parcels. If this alone is the reason what is need for shifting Divisional office & Accounts office, incurring huge rent expenses in Ghaziabad. Department is talking about economy and reduction in expenditure quite often. Such being the case why this shifting of HQ from Saharanpur to Ghaziabad. Our offices are housed in departmental building in Saharanpur.

e) If Department feels Ghaziabad is the best place for Parcel hub my union has no objection to construct Parcel hub in Ghaziabad, but changing mail office and other offices will unnecessarily delay public mails and will also lead in reduction of speed post volume as well inconvenience to the staff.

f) Circle office has stated that all the unions have agreed for shifting. If that is the case why the minutes have not been signed by the staff side.

g) According to our information the shifting is to favor some contractors by paying huge rent in new place.

Considering all the above points it is requested to stop the shifting of RMS SH Division HQ from Saharanpur to Ghaziabad forthwith.

Thanking you,
