**Sub: Implementation of GDS Committee recommendations – reg.**

Madam,

The Staff Side conveys the anguish and disillusionment of three lakhs of Gramin Dak Sewaks over the non-implementation of GDS Committee recommendations. The Staff Side was assured many times that the GDS Committee recommendations would be implemented before the announcement of General Elections, which is yet to happen.

Both the Federations have learnt that the proposals of the Department are being studied by the JS&FA for the past three weeks. The election schedule has been announced. The entirety of the Gramin Dak Sewaks is justifiably restive. In short the 50% of work force of the Postal Department is unhappy and on the verge of total frustration. No doubt the efficiency of the rural postal services would be dented in the backdrop of total disillusionment amongst the rural postal employees.

Our Federations would like to seek your personal intervention in ensuring the quick processing of the issue at all levels for implementation at the earliest. We hope you would appreciate our concerns and would cause all necessary action for quick implementation.

Thanking you,

Yours faithfully,
