Minutes of National Anomaly Committee Meeting held on 11.1.2018

MINUTES OF THE MEETING HELD ON 11.01.2018 TO DISCUSS THE ADMISSIBILITY OF THE AGENDA ITEMS RECEIVED FROM THE STAFF SIDE FOR DISCUSSION IN THE NATIONAL ANOMALY COMMITTEE (NAC) FOR THE 7TH CENTRAL PAY COMMISSION

A meeting was held under the chairmanship of Shri G.D. Tripathi, Joint Secretary (Establishment), Department of Personnel & Training with the representatives of Staff Side of the National Anomaly Committee and senior officers from the other Ministries/Departments concerned at 3.00 p.m. on 11.01.2018 in Room No. 190, North Block, DoPT, New Delhi to consider the admissibility of the 18 items of anomaly forwarded by the Staff-Side of the National Council of JCM for settlement through discussion at the NAC constituted after the Seventh Central Pay Commission. The list of participants is at Annexure.

2. The Chairman welcomed the representatives of the Staff-Side of the National Anomaly Committee and asked Deputy Secretary (JCA) to briefly inform the participants the purpose for convening this meeting.

3. Deputy Secretary (JCA) informed that following the acceptance of the recommendations – to the extent they have been – of the 7th Central Pay Commission by the Government, the National Anomaly Committee has been constituted by DoPT. Subsequently, on receipt of a representation

from the Staff Side, NC(JCM), the definition of what would constitute an anomaly has been revised and notified. Therefore, as per the revised scope of definition, anomaly will include the following cases;

a) Where the Official-Side and the Staff-Side are of the opinion that any recommendation is in contravention of the principle or the policy enunciated by the Seventh Central Pay Commission itself without the Commission assigning any reason;

b) Where the maximum of the Level in the Pay Matrix corresponding to the applicable Grade Pay in the Pay Band under the pre-revised structure as notified vide CCS(RP) Rules 2016, is less than the amount an employee is entitled to be fixed at, as per the formula for fixation of pay contained in the said Rules;

c) Where the Official side and the Staff Side are of the opinion that the vertical and horizontal relativities have been disturbed as a result of the 7th Central Pay Commission to give rise to anomalous situation.

4. Deputy Secretary (JCA) mentioned that a letter dated 16.08.2017 had been received from Secretary, Staff-Side proposing to discuss 15 items in the National Anomaly Committee (NAC). Subsequently, another letter dated 31.08.2017 was also received proposing 3 additional items. On examining these 18 items against the three (03) yardsticks as stated in para-3 above, it was felt that while some agenda items clearly fall within the definition of 'anomaly', there are a few which cannot be termed 'anomaly' as such, bordering more, as they are, on the side of 'demands'. There are a few more which apparently by virtue of affecting the interests of one Department should rather be taken up at the Departmental Anomaly Committee. On sharing the findings of this Preliminary examination with the Secretary, Staff-Side, a communication was received from him suggesting inter-alia, besides giving their own reasons for retaining the same agenda – except one item – for the NAC deliberations, that a meeting be convened to discuss and finalize the items so as to avoid delay in convening the NAC meeting.

5. The Chairman then requested the leader of the Staff-Side and other members to put across their points of view on the issue.

6. The Leader, Staff-Side, thanked the Chairman for convening the meeting at the suggestion of Secretary, Staff-Side and initiated the discussion by emphasizing that the next meeting of the

National Council under the Chairmanship of Cabinet Secretary should be held urgently as more than 7 years have passed since the last such meeting was held. He referred to the background against which the JCM scheme has been institutionalized and stressed that the purpose of JCM is to avoid confrontation between the Government and its employees. He requested that the sentiments of the Staff-Side may be conveyed to the Cabinet Secretary so that the meeting of the National Council, JCM may be held without any further delay. He also suggested that the Cabinet Secretary should meet the Standing Committee of the National Council, JCM soon after the Republic Day celebrations so that the deliberations can be held on all pending issues. The Leader, Staff-Side further stated that there are many issues arising out of the 7th Central Pay Commission's recommendations which are still to be settled to the satisfaction of the Staff-Side. He particularly mentioned about the recommendations relating to New Pension Scheme, Minimum Pay, Fitment Formula, etc.

7. Secretary, Staff-Side also expressed similar views about lack of interaction between the Official-Side and the Staff-Side. He mentioned that the institutions of JCM machinery has become defunct and stated that the meetings of the Standing Committee and the National Council, JCM should be called without any further delay. He also mentioned that the Group of Ministers had met the staff representatives and given some assurances for favourable consideration regarding the Minimum Pay and Fitment Formula. But even after 1-1/2 years, no decision has been conveyed by the Government. He regretted that in spite of the report submitted by NPS Committee, nothing fruitful has been done for bringing new pensioners under defined and guaranteed pension scheme. He stated that based on the assurance given by the group of Ministers, the Staff Side had deferred the call for strike but now it is getting very difficult for them to control the resentments of the staff. He stressed the need for frequent interactions so that each side can appreciate the other's views. He also mentioned that no decision has yet been conveyed on the 6th CPC related unresolved anomalies which, the Staff-Side feels, should be sent for arbitration as the Staff-Side has recorded its dissatisfaction on them.

## THE GIST OF THE PRESENTATION ON IPPB BY SG FNPO DURING THE WORKSHOP

2014- 15 Finance Minister in his budget-speech announced the idea of Postal Bank.

2015-2016 Finance Minister allowed seed capital of 500 crores.

In August 2016 IPPB was incorporated. In the last 3 years only twice the department had called the federation and gave a demo on IPPB. My Federation submitted a note raising doubts, but none of our doubts were clarified by the department so far. Now with a few hours demonstration on IPPB department has called for the views from the Federation. When the department has taken 3 years to design IPPB how is it possible for the Federation to give its views within few hours. An observation of the demo raises following points that need clarification by my Federation.

Why only 650 officers were selected for IPPB.

Why not all the sub-offices and head offices have the wings of payment Bank. What is the reason for restriction. Payment bank and existing savings bank activities need to be clearly clarified IPPB PA will get more pay than present PA how this difference is justified. When India post is able to run full Bank like Japan post office and German post office why India Post Payment Bank used Kanya Bank as our model.

When Government is downsizing the no of nationalized banks for operational convenience, how RBI gave permission to start new banks.

What is the guarantee that IPPB will not be merged with any other Public Sector Bank in future?

According to the clarification directors are framing the policies of IPPB then what is the role of Postal Service Board. The service conditions of the Officials on deputation from post office needs clarification. At present they are governed by CCS rules. For officials selected to IPPB it may create some issues in case of repatriation to parent department, what is the answer by the department.

Now coming to business how will we compete with Paytm and Airtel Payment Banks. IPPB is offering interest rate at 4.55% on deposits up to 25000, 5% for 25000 to 50000., And 5.5% for 50000 to 100000 whereas Airtel is offering 7.5% what is the plan to match it.

IPPB is aiming transaction through mobile banking. Reliance company captured almost all customers by providing free SIM cards what is the strategy to cover Rural banking.

In the presentation, it is mentioned that postman will carry our business to rural areas if so what is the incentive to the postman
