To,
Shri A. N. Nanda,
Chairman,
Postal Services Board,
Dak Bhavan
New Delhi 110 001.

Sir,

Sub:- CSI roll out in AP Circle – Reg.

-oOo-

Kindly recall our discussions about CSI roll out issues in all the circles. During the discussion, it was mentioned that action will be taken by the Member (Tech) to settle the issues within ten days.

My federation has received a Memorandum from AP Circle that circle administration has ordered CSI roll out before the introduction of RICT. Further, it is reported by AP circle that CSI rollout have been completed in divisions like Guntur, Gudur and Hindupur. In these divisions RICT have not been implemented and supplied so far. Therefore the staffs are facing many difficulties. Even stamps are not supplied to all BO's in the CSI rolled out divisions. The SPMs who are working in the SOs and having BOs under their SOs have to login into BO user ID for every purpose like Supply of Stamps to BOs, Cash remittance, receive cash, to invoice/receive accountable articles, rebooking of transactions. Etc. The Department is aware that SPMs in single-handed offices are already overburdened, if CSI is implemented, he has to perform the work of BOs also in addition to his normal duties, which will create unrest among the staff.

It is a well-known fact that ordering CSI roll out without RICT will create a lot of issues and will also lead to unconducive atmosphere in the Post offices.

Hence it is requested to issue necessary instructions to AP circle administration to STOP roll out of CSI in the divisions where RICT is not completed and also requested to supply RICT devices to the divisions which have already rolled out to CSI.

A copy of the Memorandum is enclosed for perusal.

Thanking you.
