Subject: Increase in ATM cash Loading Limits to ensure adequate cash in ATMs – Reg.

This is regarding the one-time revision of ATM cash threshold limit for the period from 28.09.2026 to 30.09.2026.

2. IPPB ATM Team (Bengaluru) had communicated regarding the Nation-wide strike as announced by the United Forum of Bank Union (UFBU), anticipated during the period from 28.09.2026 to 30.09.2026 and requested to review and enhance the ATM Cash Threshold limits for those ATMs where higher than usual transactions are anticipated during the period from 28.09.2026 to 30.09.2026.

3. Accordingly, ATM transactions have been reviewed by CPRC for the period from 01.07.2026 to 21.09.2026. Based on the transaction volume, 95 ATMs have been identified as high-dispensing ATM sites. The list of these ATM sites is enclosed as Annexure-I.

4. In view of the anticipated increase in cash withdrawals during the strike period(anticipated), the cash threshold limit for the identified 95 ATMs may be increased up to 1.5 times of the present authorised threshold limit. This increased threshold limit is being allowed only as a one-time arrangement for the cash loading scheduled on 25.09.2026 & 26.09.2026, so as to ensure sufficient cash availability at these ATMs and avoid cash-out situations, during the anticipated strike period.

5. Accordingly, it is requested that:

- (i) IPPB ATM Unit may issue necessary instructions to the ATM MSP vendor for loading cash as per the revised limit;
- (ii) The concerned Post Offices in the Circle may provide sufficient cash to the vendor against indent and ensure adequate cash availability at the identified ATMs for uninterrupted ATM services to customers.

6. The above revised cash threshold limit is a one-time arrangement and shall apply only to the identified high-dispensing ATMs (as in Annexure – I) for the cash loading scheduled on 25.09.2026 & 26.09.2026.

7. This issues with the approval of the Competent Authority.

Yours faithfully

Assistant Director – II, CPRC
