Dated 12.03.2025

To
The Secretary
Department of Posts,
Dak Bhavan,
New Delhi-110001

Respected Madam,

Sub: Agitational Program's on the call of PJCA--reg.

Ref : SR-08/11/2023-SR-DOP (part-1) Dated 04.March 2025 .

Most humbly, we would like to draw your kind attention towards Departments letter under reference, vide which records of discussion of the meeting held on 28-2-25 with the Postal Joint Council of Action (PJCA) , were communicated to us . We are pained to bring to your notice that the minutes were not issued rather records of discussion that too on some agenda items have been issued, which doesn't reflect the actual discussion/Assurances given by the Authorities in the meeting. Agitations are being undertaken in pursuant of 13 points charter of Demands, and all were discussed in the meeting, but vide letter under reference only on 5/6 Demands, it has erroneous reflection . We are not convinced / satisfied by the stand taken by the Department and are left with no other alternative but to continue the remaining phases of Agitational Program's as communicated to the Department vide notice dated 11.2.2025 with some minor changes , culminating into an indefinite strike , as the deadlock persists .

The following changes are in the Agitational Program's:

1. Post Card /ILC Campaign from 20.3.25 to 21.3.25,
2. Email Campaign on 27.3.25
3. Indefinite strike from 6.5.2025

Contd.....2

We are not averse to negotiations and would request you to kindly arrange to fix another meeting with PSB and also with Hon'ble MOC, in order to arrive at

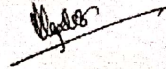

an amicable solution to safeguard the interest of Staff, Department and the citizen's of the Country.

With regards,

Yours sincerely,
